

P-665 GENERAL-PURPOSE VINYL-COATED CLOTH TAPE

APPLICATION

The high-strength cloth tape that **effectively combines economy with performance!**

A quality matte surface backing and positive-seal adhesive make for a truly “full value” general-purpose tape construction. Ideally suited for a wide range of **holding, sealing, splicing and decorative** applications.

FEATURES AND BENEFITS

- Offers a quality construction...yet is economically priced.
- Superior adhesion, with clean removal when needed.
- Highly conformable to irregular surfaces and odd shapes.
- Provides a positive dust and dirt resistant seal.
- Controlled unwind for quick, easy tape application.
- Hand tearable - no need for knife, scissors, dispenser.
- Government specifications A-A-1586A and PPP-T-60E.

TECHNICAL DATA
